

SUMMARY

Energetic problem-solver with knack for uncovering system vulnerabilities and positive attitude. Possesses solid understanding of network security principles and proficient in using tools like BurpSuite, Metasploit, Nmap and Wireshark. Committed to enhancing cybersecurity measures and reducing potential threats.

EDUCATION

Chandigarh Group of College - Jhanjeri

Bachelor's Degree in Cyber Security
2022 - 2025

SKILLS

- Manual Web Application VAPT
- Manual Network VPT
- Manual API Testing
- Information Gathering
- OSINT
- Recon
- Reporting & Documentation
- REACTJS
- JAVASCRIPT
- MYSQL
- GIT
- BASH
- Python

CERTIFICATIONS

- Certified Ethical Hacker, CYBER SAPIENS
- Cyber Security & Threat Hunting, CYBER SAPIENS
- Certified Cyber Warrior, HACKING FLIX ACADEMY
- Network Penetration Tester, SPIN THE HACK

ACHIEVEMENTS

- Case Study Letter, 96/100, SpinTheHack,
- Found Security Issues in Website - Malwarebytes, Priceline, Keysight Technologies, Torfs

INTERESTS

- Cyber Security
- video Games
- Cricket, listening Music

PROFESSIONAL EXPERIENCE

Penetration Tester Internship

Cyber Sapiens | 2/2024 - 7/2024

- Conducted hands-on Red Team Vulnerability Assessment and Penetration Testing
- Consistently stayed current with emerging threats, attack methodologies, and cybersecurity tools through continuous learning
- Participated in Open Bug Bounty programs, collaborating with the community to enhance cyber defenses
- Excelled in practical challenges, completing Port Swigger Labs, Try Hack Me Labs, and Capture The Flag (CTF) competitions
- Enthusiastically contributed practical knowledge and fostered a collaborative and dynamic cybersecurity team environment
